We Help You Achieve Your Goals

ABOUT SHEFFIELD

Situated in the Golden Triangle, the heart of the beautiful city of Kuala Lumpur, Sheffield Academy is dedicated to providing excellent educational services and training since its establishment in early 2010. The academy offers a variety of courses in the fields of Business, Hospitality, Information Technology, and English, as well as customised programs for working professionals. The academy's forte is its English program, which has given it the reputation of one of the best language centres in Kuala Lumpur, Malaysia, and with its name constantly and steadily gaining more grounds as an institution for developing individuals who are highly reputed for their professionalism and distinguished skills.

INTENSIVE GENERAL ENGLISH

The Intensive General English is the ideal choice for those students who are ready to spend a bit more time to get quicker and more in-depth results in learning English. The course allows students to learn the language using real-life context with lively. interesting reading and listening text, challenging activities and periodic evaluations so they can easily see and measure their progress

ENGLISH FOR ACADEMIC PURPOSES

English for Academic Purposes (EAP) has been meticulously designed to prepare you for higher education in Malaysia and other countries. This course imparts essential linguistic, academic, and cultural skills that will empower you to confidently pursue your university education. EAP is tailored for individuals who need to excel in academic environments, such as universities and research institutions. It is specifically crafted to meet the unique requirements of learners aspiring to enter higher education. EAP is also ideal for non-native English speakers seeking to enhance their language proficiency and comprehension

- Academic Skills Development
- Global Academic Opportunities
- Subjects-Specific Focus
- University Pathway

WEEKEND CLASSES

Weekend Intensive English Courses at Sheffield Academy are tailored for individuals with busy weekday schedules but available time on weekends. These classes are particularly popular among residents and professionals in Kuala Lumpur, as they provide flexibility to accommodate English lessons within their hectic work and family commitments. We also recommend weekend classes to those living far from our school, as the longer weekend sessions help save time on commuting and avoid rush-hour travel. These English classes are designed to enhance language skills for everyday life, work, exams, and improved career prospects.

PRIVATE CLASSES

Sheffield Academy's Private Intensive English course provides students with greater flexibility. Private classes offer one-to-one instruction, allowing lessons to be fully customised to your specific needs. You can communicate your goals to your tutor or trainer, who will then design a curriculum specifically to help you achieve them. For instance, if your aim is to acquire proficiency in Business English, your lessons will focus on developing your business English speaking skills.

Hello Summer

SUMMER CAMP

Summer camp is a unique community where children come together to have fun and nurture their sense of independence through exciting adventures away from home. Summer camps are renowned for providing a secure environment in which kids not only have a great time but also develop self-confidence and acquire new skills, including communication and conflict resolution abilities. Sheffield Academy offers students an exceptional opportunity to explore the beautiful sights of Malaysia while benefiting from our focused learning programs. We organize cultural and recreational activities that are integrated into the course structure, allowing students to apply their newfound knowledge in a practical and engaging manner.

What Makes Summer Camp Great with Sheffield Academy?

- International Environment
- Comfortable Accommodation
- Experienced Teachers & Progress Reporting
- Small Class Sizes
- Fascinating Tours & Excursions
- Tailored Course Placement & Curriculum

Winter Is here

WINTER CAMP

During the winter season, we often find ourselves spending more time indoors, leading to a sedentary lifestyle. However, winter can be an excellent opportunity for kids to stay active and engage in a variety of outdoor activities that promote physical health. The objectives of Winter Camp align with those of our Summer Camp programs. We aim to foster the development of relationships and values among our youth in a structured environment. Additionally, we focus on strengthening leadership skills, building self-confidence, and nurturing social responsibility.

How Will Winter Camp Benefit You?

- Dive Deep into New Skills
- Experience Fun & Entertainment
- Foster Lifelong Friendships
- Stimulate Creativity
- Learn the Value of Teamwork
- Stay Intellectually Engaged

ONLINE CLASSES

Online classes encompass a blend of video recordings and live lectures, complemented by course readings and assessments. These classes are typically conducted through a virtual platform, providing students with access to reading materials, opportunities to engage with instructors and peers, access to grades, and program monitoring. Online classes have become an integral part of the 'new normal,' seamlessly integrating into our daily lives.

In an online classroom, instructors have the capability to:

- Facilitate student participation
- Share learning materials in various formats, including documents, slide decks, and multimedia files
- Enhance the learning experience through features like screen-sharing and virtual whiteboards
- Create breakout rooms for smaller group interactions, with the option for the instructor to join
- Engage participants through polls and quizzes
- Record sessions for future reference

YOUNG LEARNERS

At Sheffield Academy, we are committed to catering to students of all levels and ages. Our Young Learners Course is specifically designed to assist students between the ages of 6 and 13 in enhancing their English language skills. The course takes place in a stimulating and enjoyable environment, featuring an array of games, songs, crafts, and a host of other exciting activities. Additionally, students will have the opportunity to create posters and visual diagrams to reinforce their grasp of new vocabulary. Creativity is the key to success.

えみ
英語圏と比べてクオリティーを心配していましたが、かなり上をいっていました。そして値段も安いし、1日6時間も勉強できて正直驚きでした。スタッフもみんな面白くて最高！値段と時間のことを考えたら、英語圏に行くよりも何倍も勉強できてラッキーでした。

Хорошая академия
Качество образования и опытные педагоги.
Интенсивный курс помог мне улучшить знания и подготовиться к экзамену
Локация очень удобная, рядом с башнями близнецами.
Атмосфера классная, рекомендую эту школу

منال احمد الصيفي
معهد رائع وفي موقع ممتاز .ومدرسين رائعين درست انا أولادي 6 شهور
مرة شكرا لكم

Li Wendy
我喜欢老师和教学方式。课程很有趣而且质量很高。我在这所学校挂了我的英语水平

Simone Berger
I was surprised by its curriculum and teaching methods that are different from other study academies. I would like to thank this place that provides only good things in our lives.
